A holder of Units in FCT (“**Unitholder**”) entitled to attend the meeting and vote is entitled to appoint not more than two proxies to attend and vote instead of him; a proxy need not be a Unitholder. NOTICE OF ANNUAL GENERAL MEETING

Explanatory Notes:

Resolution 3

The Ordinary Resolution 3 above, if passed, will empower the Manager from the date of this Annual General Meeting until the date of the next Annual General Meeting, to issue Units and to make or grant instruments (such as securities, warrants or debentures) convertible into Units and issue Units pursuant to such instruments, up to a number not exceeding 50% of the total number of issued Units (excluding treasury Units, if any), of which up to 20% may be issued other than on a pro rata basis to Unitholders.

For determining the aggregate number of Units that may be issued, the percentage of issued Units will be calculated based on the issued Units at the time the Ordinary Resolution 3 above is passed, after adjusting for new Units arising from the conversion or exercise of any Instruments which are outstanding at the time this Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Units.

Fund raising by issuance of new units may be required in instances of property acquisitions or debt repayments. In any event, if the approval of Unitholders is required under the Listing Manual of the SGX-ST and the Trust Deed or any applicable laws and regulations in such instances, the Manager will then obtain the approval of Unitholders accordingly.

Important Notice

The value of Units and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors should note that they will have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the SGX-ST. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. The listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of FCT is not necessarily indicative of the future performance of FCT.
