IMPORTANCE NOTICE

The value of units ("Units") in FCT and the income derived from them, if any, may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Company, or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Company to redeem their Units while the Units are listed. It is intended that holders of Units may only deal in their Units through trading on the Singapore Exchange Securities Trading Limited (the "SGX-ST"). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of FCT is not necessarily indicative of the future performance of FCT.
