Results of Redemption and Conversion of Series A Convertible Perpetual Preferred Units and Preferred Distribution Payment Date

Singapore, 5 June 2013 - Further to the announcements dated 23 May 2013 and 3 June 2013, Frasers Centrepoint Asset Management (Commercial) Ltd., as manager of Frasers Commercial Trust ("**FCOT**", and the manager of FCOT, the "**Manager**") wishes to notify all holders of ordinary units of FCOT and holders of Series A Convertible Perpetual Preferred Units ("**Series A CPPUs**" and the holders of Series A CPPUs, the "**Series A CPPU Holders**") that:

- (a) the right of redemption has been successfully exercised in respect of 2,172,641 Series A CPPUs and that such Series A CPPUs shall be redeemed in cash on 1 July 2013 ("**Effective Date**") and shall be cancelled upon redemption; and
- (b) no right of conversion has been successfully exercised.

The Series A CPPUs that will be redeemed on the Effective Date have been earmarked and removed from the available balance and are no longer available for trading. Series A CPPU Holders shall be separately notified by the Registrar of the number of Series A CPPUs to be redeemed. Series A CPPU holders should check their available free balance in their securities accounts with The Central Depository (Pte) Limited before trading in their Series A CPPU holdings.

The number of Series A CPPUs outstanding after excluding those Series A CPPUs earmarked to be redeemed is 12,157,275. The redemption of the Series A CPPUs will be funded via internal resources.

SERIES A CPPU DISTRIBUTION

The Manager is pleased to announce that FCOT shall pay a preferred distribution in respect of the Series A CPPUs ("**Series A CPPU Distribution**") for the period from 1 April 2013 to 30 June 2013. The Series A CPPU Distribution to be paid to Series A CPPU Holders amounts to an aggregate of S\$0.2 million, which equals to a distribution of 1.3712 cents per Series A CPPU. This represents an annualised distribution yield of 5.5% per Series A CPPU, based on the issue price of S\$1.00 per Series A CPPU. The Series A CPPU Holders whose securities accounts with The Central Depository (Pte) Limited were credited with Series A CPPUs as at 5.00 p.m. on the Books Closure Date of 3 June 2013 will be entitled to the Series A CPPU Distribution to be paid on the Effective Date.

WITHHOLDING PAYMENTS FOR SINGAPORE TAX PURPOSES

The Series A CPPU Distribution will be paid on the Effective Date, save that the Manager will withhold payments, of such amount as determined by the Manager, to meet any withholding tax which may be payable on the Series A CPPU Distribution in connection with any relevant Series A CPPU Holders to whom withholding tax applies.

The Manager shall (i) notify the relevant Series A CPPU Holder of the breakdown of the tax-exempt component and taxable income component ("**Taxable Distribution**") of the Series A CPPU Distribution as soon as practicable after the Effective Date when such components are determined, and (ii) make an announcement on SGXNET as to the date of payment of the portion of the tax-exempt component which has been withheld from those relevant Series A CPPU Holders to whom withholding tax applied, such payment date being no later than 15 August 2013.

Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, (including employee wages, benefits and training costs), property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's current view on future events.

The value of Units and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors should note that they have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This publication is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of FCOT and the Manager is not necessarily indicative of the future performance of FCOT and the Manager.

DISCLOSURE NOTE

Compliance with Disclosure Requirements in No. 2 Section 2 of Appendix 1 of the Code

On 7 May 2009, the Securities Industry Council granted a waiver of the obligation of Frasers Centrepoint Limited ("**FCL**") and parties acting in concert with it (the "**Concert Parties**") to make a mandatory offer for all the remaining issued Units not already owned or controlled by FCL and the Concert Parties pursuant to Rule 14 of the Singapore Code on Take-over and Mergers (the "**Code**", and a mandatory offer made pursuant thereto, a "**Mandatory Offer**") should the obligation to do so arise as a result of, among others, the issuance of Conversion Units pursuant to conversion of the Series A CPPUs by FCL and its Concert Parties (the "**Series A CPPU Conversion**"), subject to, among other things, the approval of the Whitewash Resolution (as defined herein) by Unitholders other than FCL, parties acting in concert with it and parties which are not independent of FCL at a general meeting.

Approval from such Unitholders was obtained at the extraordinary general meeting of Unitholders held on 22 July 2009 (the "**EGM**"), to approve the whitewash resolution for a waiver of the requirement for FCL and the parties acting in concert with it to make a Mandatory Offer under Rule 14 of the Code should the obligation to do so arise as a result of, among others, the issuance of Conversion Units pursuant to the Series A CPPU Conversion (the "**Whitewash Resolution**").

The Whitewash Resolution is subject to the acquisition of the new Units upon the conversion of the Series A CPPUs being completed within five years of the date of issue of the Series A CPPUs, being 26 August 2009. In connection with the Whitewash Resolution, the disclosures required under Note 2 Section 2 of Appendix 1 of the Code are set out below:

- (a) as at 4 June 2013:
 - (i) FCL and the Concert Parties hold in aggregate 183,542,459 Units representing 27.95% of voting rights in FCOT (calculated based on 656,588,131, the total number of Units in issue as at 4 June 2013); and
 - (ii) Concert Parties hold in aggregate 69,750 Series A CPPUs;
- (b) the maximum potential voting rights of FCL and the Concert Parties in FCOT, assuming that only FCL and the Concert Parties (but not other Series A CPPU Holders) exercise their right to convert their Series A CPPUs in full, is 27.96% of the enlarged total number of Units in issue as at 4 June 2013 (including all Conversion Units);
- (c) having approved the Whitewash Resolution on 22 July 2009, Unitholders have waived their rights to a Mandatory Offer from FCL and the Concert Parties at the highest price paid by FCL and the Concert Parties for Units in the six months preceding the commencement of the offer; and
- (d) having approved the Whitewash Resolution on 22 July 2009, Unitholders could be forgoing an opportunity to receive a general offer from another person who may be discouraged from making a general offer in view of the potential dilution effect of the Series A CPPUs.
