For immediate release

### **Results of Conversion of Series A Convertible Perpetual Preferred Units and Preferred Distribution Payment Date**

**Singapore, 4 December 2013** - Further to the announcements dated 22 November 2013 and 2 December 2013, Frasers Centrepoint Asset Management (Commercial) Ltd., as manager of Frasers Commercial Trust ("**FCOT**", and the manager of FCOT, the "**Manager**") wishes to notify all holders of ordinary units of FCOT and holders of Series A Convertible Perpetual Preferred Units ("**Series A CPPUs**" and the holders of Series A CPPUs, the "**Series A CPPU Holders**") that the right of conversion has been successfully exercised in respect of 823,544 Series A CPPUs and that such Series A CPPUs shall be converted into 695,243 new ordinary units in FCOT ("**Conversion Units**") on 2 January 2014 ("**Effective Date**") in accordance with the terms and conditions of the Series A CPPUs. The number of Conversion Units was calculated based on a conversion price of S\$1.1845 per Conversion Unit with any fractional Conversion Units disregarded. The number of Series A CPPUs outstanding after excluding those Series A CPPUs earmarked to be converted is 231,944.

The Series A CPPUs that will be converted to Conversion Units on the Effective Date have been earmarked and removed from the available balance and are no longer available for trading. Series A CPPU Holders shall be separately notified by the Registrar of the number of Series A CPPUs to be converted and the number of Conversion Units they will receive. Series A CPPU holders should check their available free balance in their securities accounts with The Central Depository (Pte) Limited before trading in their Series A CPPU holdings.

The Conversion Units are not entitled to any distributions on the ordinary units of FCOT (the "**Ordinary Units Distribution**") which may be declared by the Manager in respect of the period from 1 October 2013 to 31 December 2013. The Conversion Units will be placed in a separate stock counter until the books closure date in connection with the declaration of Ordinary Units Distribution for the distribution period from 1 October 2013 to 31 December 2013, following which such separate stock counter shall be merged with the main counter for the ordinary units in FCOT. The Manager shall notify the name of the separate stock counter on 2 January 2014.

### **SERIES A CPPU DISTRIBUTION**

The Manager is pleased to announce that FCOT shall pay a preferred distribution in respect of the Series A CPPUs ("**Series A CPPU Distribution**") of 1.3863 cents per Series A CPPU for the period from 1 October 2013 to 31 December 2013. This represents an annualised distribution yield of 5.5% per Series A CPPU, based on the issue price of S\$1.00 per Series A CPPU. The Series A CPPU Holders whose securities accounts with The Central Depository (Pte) Limited were credited with Series A CPPUs as at 5.00 p.m. on the Books Closure Date of 2 December 2013 will be entitled to the Series A CPPU Distribution to be paid on the Effective Date.

## WITHHOLDING PAYMENTS FOR SINGAPORE TAX PURPOSES

The Series A CPPU Distribution will be paid on the Effective Date, save that the Manager will withhold payments, of such amount as determined by the Manager, to meet any withholding tax which may be payable on the Series A CPPU Distribution in connection with any relevant Series A CPPU Holders to whom withholding tax applies.

The Manager shall (i) notify the relevant Series A CPPU Holder of the breakdown of the tax-exempt component and taxable income component (“**Taxable Distribution**”) of the Series A CPPU Distribution as soon as practicable after the Effective Date when such components are determined, and (ii) make an announcement on SGXNET as to the date of payment of the portion of the tax-exempt component which has been withheld from those relevant Series A CPPU Holders to whom withholding tax applied, such payment date being no later than 17 February 2014.

Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, (including employee wages, benefits and training costs), property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's current view on future events.

The value of Units and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

## DISCLOSURE NOTE

### Compliance with Disclosure Requirements in Note 2 Section 2 of Appendix 1 of the Code

On 7 May 2009, the Securities Industry Council granted a waiver of the obligation of Frasers Centrepoint Limited (“**FCL**”) and parties acting in concert with it (the “**Concert Parties**”) to make a mandatory offer for all the remaining issued Units not already owned or controlled by FCL and the Concert Parties pursuant to Rule 14 of the Singapore Code on Take-over and Mergers (the “**Code**”, and a mandatory offer made pursuant thereto, a “**Mandatory Offer**”) should the obligation to do so arise as a result of, among others, the issuance of Conversion Units pursuant to conversion of the Series A CPPUs by FCL and its Concert Parties (the “**Series A CPPU Conversion**”), subject to, among other things, the approval of the Whitewash Resolution (as defined herein) by Unitholders other than FCL, parties acting in concert with it and parties which are not independent of FCL at a general meeting.

Approval from such Unitholders was obtained at the extraordinary general meeting of Unitholders held on 22 July 2009 (the “**EGM**”), to approve the whitewash resolution for a waiver of the requirement for FCL and the parties acting in concert with it to make a Mandatory Offer under Rule 14 of the Code should the obligation to do so arise as a result of, among others, the issuance of Conversion Units pursuant to the Series A CPPU Conversion (the “**Whitewash Resolution**”).

The Whitewash Resolution is subject to the acquisition of the new Units upon the conversion of the Series A CPPUs being completed within five years of the date of issue of the Series A CPPUs, being 26 August 2009. In connection with the Whitewash Resolution, the disclosures required under Note 2 Section 2 of Appendix 1 of the Code are set out below:

- (a) as at 3 December 2013:
  - (i) FCL and the Concert Parties hold in aggregate 186,448,569 Units representing 27.89% of voting rights in FCOT (calculated based on 668,451,126, the total number of Units in issue as at 3 December 2013); and
  - (ii) FCL and the Concert Parties do not hold any Series A CPPUs;
- (b) having approved the Whitewash Resolution on 22 July 2009, Unitholders have waived their rights to a Mandatory Offer from FCL and the Concert Parties at the highest price paid by FCL and the Concert Parties for Units in the six months preceding the commencement of the offer; and
- (c) having approved the Whitewash Resolution on 22 July 2009, Unitholders could be forgoing an opportunity to receive a general offer from another person who may be discouraged from making a general offer in view of the potential dilution effect of the Series A CPPUs.
